Scenes and Incidents in the City and matter of young ladies. at the Grove.

WEEKLY-Thirty cents per line, or three dollar Yesterday morning was ushered in with a glorious sunrise, and the large number of our citizens, who had been on the tip-toe of Leavenworth, Kan expectation for a good time generally, at the Turnfest, celebrating the eleventh anniversary o the e-tablishment of the District of the Missouri Valley, were happy at the thought that their well-arranged plans to have present and entertain a vast concourse of people, who had signified their intention to come from other cities and take part in the exercises, would not be interfered with by the clerk of the weather. At 8 o'clock, preceded by the entire Fifth Infantry band, in full uniform, the reception committee marched to the depot, where they received the delegations of the Turnveriens from Omaha, St. Joseph and Atcheson, consisting of over 1,000 persons, accompanied by the Atc) ison cornet band and a band from St. Joseph, under direction of 1 rof.
